**TERMS AND CONDITIONS**

- It is mutually agreed that this policy covers only electrically operated units inside the equipment and does not cover electrical or plumbing work beyond the units or work required due to the negligence or misuse of the equipment or because of fire, flood, acts of God, sabotage of gas or water supply or damage caused by freezing or circumstances beyond our control.
- Estes reserves the right to reject any policy if an inspection by our service technician finds the equipment is in such condition that service will be unsatisfactorily to both parties. The equipment must be brought up to industry standards at the customers expense before acceptance of policy at the time of the first maintenance check.
- Estes shall not be responsible for system design or performance in maintaining design conditions except through failure through equipment covered herein.
- All service will be performed during the working hours Monday-Friday 8:00 AM - 8:00 PM, Saturday, 8:00 AM - 4:00 PM. All maintenance checks will be scheduled during normal working hours.
- Emergency service available 7 days a week. (\$25.00 trip charge after hours.)
- It shall be the discretion of Estes to repair or replace defective material and parts. In the event any or all of the equipment is not, in our opinion, economically repairable, Estes will quote the replacement cost. Until replacement has taken place, no further service will be performed.
- The customer can not assign or transfer this agreement without the prior written consent of Estes.
- Any changes, adjustments or repairs made by others, unless authorized or approved by Estes in writing, shall terminate Estes obligation hereunder.
- Estes will not be required to furnish, with out extra cost, any items of material, labor or equipment which are recommended or required by local code regulations, insurance companies, Government, State, Municipal or other authorities.
- Unnecessary nuisance calls beyond the scope of this contract will be charged and paid for by the purchaser at the prevailing service rates. Example: Fuses, Dirty Filters, Disconnects, Manual Reset Switches, etc.
- Estes will endeavor to render prompt and efficient service hereunder, but it is expressly agreed that Estes shall in no event be liable for damage or loss caused by delay or any loss arising out of performance of this agreement.
